SALOONS TOO NEAR FORT

Officers of Seventh Infantry Ask Montana Officials to Abate a Nuisance.

Missoula, Mont., March 18 .- The officers of the Seventh infantry, stationed at Fort Missoula, have presented a petition to the county commissioners of Missoula county, asking that the saloons near the military post be abolished. It is represented that the saloons exert a demoralizing influence on the soldiers and that their presence tends to destroy discipline. The petition will be acted upon tomorrow.

A communication has also been sent to the war department asking for co-operation in the efforts of the officers put an end to the saloons. During the past few weeks numerous fights have occurred outside the milltary reservation in which one soldier was shot through the ear and others

THANKS CUTICURA FOR COMPLETE CURE

"Some time ago I wrote you for a

book on the Cuticura Remedies and received it O. K. and went and bought the Soap, Ointment, and Pills. They did me more good than any medicine I ever used. They cured me of my skin disease, and I am very thankful to you. My trouble was eruption of the skin, which broke out in spots all over my body, and caused a continual itching which nearly drove me wild at times. I got medicine of a doctor, but it did not cure me, and when I saw in a paper your ad., I sent to you for the Cuticura book and I studied my case in it. I then went to the drug store and bought one cake of Cuticura Soap, one box of Cuticura Ointment, and one vial of Cuticura Pills. From the first application I received relief. I used the first set and two extra cakes of Cuticura Soap, and was completely cured. I had suffered for two years, and I again thank Cuticura for my cure. If you wish, you may publish this.
